

Biography

Henry Warner appointed as next Head of St George's College Weybridge

St George's College Weybridge is delighted to announce that Henry Warner will take up the position of Headmaster in September 2026. Well known to the Georgian community, Henry has already made a significant impact in his current role as Deputy Head Academic, where his leadership, vision, and commitment to excellence have helped shape the College's continued success.

During his tenure, Henry has played a pivotal role in driving academic excellence and strategic development. Under his leadership, the College achieved its best-ever GCSE results in 2025, both in raw outcomes and value added. He has overseen the successful rollout of 1:1 iPads for all students, a transformational step in teaching and learning, and has led a renewed focus on classroom observation, staff development, and the use of technology to enhance education.

Henry's deep understanding of St George's and its Josephite ethos ensures that his leadership will be rooted in the College's values of faith, compassion, and community. He is a passionate advocate for holistic education, believing in the importance of academic ambition balanced with personal growth, wellbeing and pastoral care.

Henry began his career at the London Oratory school, before going on to hold senior roles including Head of Sixth Form at St Catherine's School, Twickenham, where he expanded the Sixth Form and introduced enhanced academic tracking and university focused enrichment programmes. As Director of Admissions and Head of History at Wetherby Senior School, he was instrumental in establishing the school's reputation and achieving its first Oxbridge success.

A First Class History graduate from Durham University, Henry brings intellectual curiosity, energy, and integrity to all he does. Beyond the classroom, he is a keen sailor and advocate for co-curricular engagement, qualities that align closely with St George's broad and vibrant educational life. He will be joined in Weybridge by his wife, Emma and their three daughters, Susannah, Imogen and Georgina.

Parents and the wider Georgian community can look forward to Henry's dynamic, thoughtful, and collaborative leadership as he builds on the strong foundations already in place, guiding St George's into its next exciting chapter.
